'75 RAIDER DEDICATED TO 1942 ILLINOIS WRESTLING CHAMP

Blazer Steps Down

FALL 74—Loren Blaser, head football coach at Ranum for the past 13 years, has resigned his position. Tom Hinton will become the new varsity coach.

State Champs Return

Coach Jenkins welcomed back seven returning starters for the new baseball season, along with many promising new hopefuls. The starters include Rudy Carelli, 1B; Bill Petri, 2B; Bob Stephens, 3B; Randy Zimmerman, C; Tom Thompson, OF; Alan Schuck, P; and Bill Layton, P.

RHS Makes TV

Channel 4 Newsreel showed how Ranum's art classes were well established and how students were involved in their art projects. It also showed the drawing abilities developed by students. All in all, Ranum made the news.

Speech Meet Held At Ranum

On November 23, the Competitive Speech team co-hosted with Adams City to sponsor the first speech meet ever held at Ranum High School. The meet got off to an early start with most arrangements made by Coach Bernie Ellsworth.

Raiders Tromp Trojans

Candlestick Park — Ranum's Raiders topped Thornton last Friday night 27—0 in the Raiders homecoming game. The game was not as close as the score would indicate. The Raiders dominated throughout, with a strong running attack and a brutal defense. Coach Hinton used a throng of strong running backs, that contributed 270 yards rushing to the 310 yards of Raider offense. The backs who spearheaded the attack included Alan Schuck, Bob Stephens, Tom Thompson, Rusty Yeager, Angelo Gentile, and Tony Worth.

Changes At Ranum

Many significant changes were made this year concerning Ranum's administration. With the change of Mr. Fred Jarigese from principal at Ranum to principal at Westminster, Assistant Principal, Don Rhoda steps up to take the position. To fill the vacancy, Mr. Bob Logsdon and Mr. Mike Bassett become Assistant Principals. Our new Activities Director, Mr. Bob Moderhak, was formerly an American History teacher. Returning to the classroom, Mr. Mel Haller, who was Dean of Men and replaced by Mr. Ron Schumacher, brand new to Ranum.

Home Economics — The coed foods and nutrition classes went on a field trip September 20, to an art show in which the art was made of food. Ms. Eastin and Ms. Ortnier were sponsors of the trip.

I Am Resolved

To be so busy, brave, and true, that I will have no time to fuss, fight, or worry.

To be better to my neighbors, and help them to be better to me.

To have something good to say, or nothing, about my fellow men.

To think, plan, and talk health, happiness, and prosperity.

To think best thoughts, to do best deeds, and expect best results.

To see and emphasize the good in everyone. To see and point out the bright side of each situation.

To be guided by "What's the good?" rather than "What's the harm?"

To forgive, even if I can't forget, every injustice.

To keep so busy building up that I will have no time for tearing down.

To think, speak, and act so as to promote peace, security, and good will.

—J. R. GRANT in HOME LIFE

Fred Jarigese, 50, came to the School District in 1949 as a student teacher at Westminster High School where Iver C. Ranum, now superintendent, was then the principal.

After a short time teaching in what was known as Westminster Junior High School, located in what is now the South High Building, he went to Baker Elementary School where he served as principal for ten years.

When construction began for Ranum High School he was named the principal of that school and the school opened in 1962 under his direction.

He has served as principal there until October, 1974 when he was named high schools coordinator and principal of the new Westminster High School which is now under construction and is scheduled to open in the fall of 1975.

Fred and his wife, Fran, are the parents of two children, son, Kevin, who is a senior at Regis High School and a daughter Heidi, who is a ninth grade student at Shaw Heights Junior High.

In his new position as high schools coordinator, Fred is responsible for overseeing program development at all three schools, scheduling of classes, the staffing for all facilities, and making sure the school will be ready for the fall of 1975.

He is highly respected both as an educator and as a community leader working in both civic and church organizations.

GRADUATION—to class of 1964

The American Way of Life is a society built on the principles of a faith in God, a Constitutional Republic, and a free Enterprise system. This is our "way of life"... FJJ

Roundup Wednesday June,— 1963—

"The student body knows the difference between quality and something else and won't accept less." "A great deal of improvement is needed, though, for the kids aren't accepting the challenge. We have a few who do, but the whole academic achievement level should be higher." Statements of Fred Jarigese in reflection after Ranum High Schools 2nd year of operation.

CHICAGO, ILLINOIS—April 13, 1964

FREDERICK JARIGESE, principal of Ranum High School is welcomed to the nation's largest regional educational accrediting agency, the North Central Association of Colleges and Secondary Schools. Greeting him as a representative of a newly accredited school is RALPH C. JOHNSON, principal of Wyandotte High School, Kansas City, Kansas and president of the North Central Association. Iver C. Ranum High School was one of 68 schools to receive accreditation by the Association at the group's 69th Annual Meeting last week in Chicago. A school is accredited by the voluntary association after demonstrating its ability to follow its stated purposes and meet criteria relating to such matters as educational philosophy, library facilities, curriculum, faculty, guidance, administrative organization and adequacy of support. The NCA schools currently enroll more than three million students in colleges, universities and high schools.

Mr. Jarigese and his secretary Mrs. Rutherford

To Faculty of RHS August 1974

My theme word for this year will be "Gemutlichkeit" a German word meaning, good feeling. Let's have our "Gemutlichkeit" by reviewing the goals of our profession and search out means of achieving those goals. Dr. Haim Ginott in his book, *TEACHER AND CHILD*, made an observation which would shake our very professional foundation:

"I come to a frightening conclusion that I am the decisive element in the classroom. It's my daily mood that makes the weather. As a teacher, I possess a tremendous power to make a child's life miserable or joyous. I can be a tool of torture or an instrument of inspiration. I can humiliate or humor, hurt or heal. In all situations, it is my response that decides whether a crisis is escalated or de-escalated and a child humanized or dehumanized."

Did we say our job is tremendous? You bet it is. We accept the challenge. We want a "Gemutlichkeit".

An expanded curriculum geared to the needs of the students was available to Ranum High School students as they registered for the second semester of classes recently. "We want to develop a curriculum to fit the needs, abilities, and desires of the student rather than just meet scholastic requirements," Fred Jarigese, school principal said.

Ranum High School, faculty, and students began the annual homecoming activities on Friday, September 27. Included in the activities were: Pep Assembly, Ranum Show Stoppers, Mr. Legs Contest, Tricycle Race, Walt Disney film, Float Competition, Powderpuff game, the football game with Thornton, and the Homecoming Dance that night.

The day began at 8 a.m. with a well-planned pep assembly, which was completely organized by the cheerleaders. Next came the Ranum Show Stoppers singing favorite Walt Disney songs, including the famous Mickey Mouse Fan Club song. Following that came the Mr. Legs Contest, which was judged by female teachers. The winner, Bill Michael, actually won by popular demand. The Tricycle Race was next; entries included student and teachers alike. The winner was Sam Erskine who won easily in the final heat of competition.

During the lunch hour, a Walt Disney film, *The Hunting Instinct*, was shown in the auditorium. After lunch, the students had two hours in which to complete their stationary floats. The winning floats were: 1st place Juniors, 2nd place Seniors in class competition. Club competition winners were GAA, first; French Club, second.

The next activity of the day was the Powderpuff game when the Seniors were defeated by the Juniors in a close 14—6 contest. The Raider Varsity Football team then defeated the Thornton Trojans with a score of 27—0. The day ended with the dance, making the day a complete success even without the Homecoming Parade.

MRS. FRYE RETIRES

RANUM HIGH SCHOOL—JUNE 1975—Mrs. Nancy Frye has become the first teacher to ever retire from Ranum High School. Her 18 years of dedication to the teaching profession have enhanced the lives of thousands of former Ranum students. An expert in English, her major field, she has developed the reading skills of Ranum's students through her speed reading courses. It is with deep appreciation that we wish Mrs. Frye the best in the future; and hope that she will always feel that she is truly a part of R.H.S.

MARCHING BAND SCORES

The Raider Marching Band, 108 strong, delighted the fans all season long with their fine music, new uniforms, and precision marching. The band, directed by Mr. Zika, was awarded a superior-plus rating at the University of Colorado "Band Days" Festival.

RANUM LOOKS AT BUSINESS PROGRAMS

(RHS)-Ranum's Business and Office Education program is a good class for students to get started in the field of business. During the first year, Typing, Shorthand, and Filing are taught. Second year students have the option of taking the Stenographic class (Shorthand) or the Clerical class. These students learn how to use business machines while they continue to improve their Typing and Shorthand speeds. As said by a student in the BOE program, "There's no time to be bored!"

The Cooperative Office Education program is designed for students to work and get credit for two class periods. These students, working all different types of secretarial jobs around the Denver-Metro area, benefit from this program as they assume roles of clerks, typists, and secretaries. This will help them in future years in finding good jobs and giving these girls experience in an office job after graduating from high school.

Both programs are requiring the student to belong to the Future Business Leaders of America club. This club is very active with the community in working with the March of Dimes, Viola Drives, and working with children and Laradon Hall at Easter time and Christmas time.

Time to rest!

The Ranum High School Mountaineering Club began at the request of a few students. Hiking, backpacking, camping out in tents and sleeping bags, and cross country skiing are a few of the clubs activities. Through the club proper survival, camping and cross country skiing techniques are learned. The first outdoor experience brought ten student and two sponsors, Sue Coursen and Bill Gavito near the Guennela pass area for an over night back packing trip, in which the temperature reached 12 below zero. It was quite a start for the club!

Ranum Students Travel Europe

Seventeen Ranum students took part in last summer's District #50 European Study-Tour. Norman Grammar, John Hering, Barry Phannenstiel, Mark Saari, Marsha Clark, Donna Coady, Colleen Fitzgerald, Dolly Kuehl, Jeannie Sickles, Sandy Sperlak, Peggy Woznick were all accompanied by Mr. & Mrs. Moderhak, while Mrs. Bieshaar and Mrs. Vancil were the guiding light for Cindy Dieter, Linda Lane, Darlene Pratt, and Kim Weide.

LANGUAGE from around the World

GERMAN Ms. Surti

Is that a chicken on the ceiling? Whose turn at Mille Bornes? Over which door in the building is the sign "Eingang"? Say, did you see that French cartoon? Now the subject **MUST** agree with the verb. Colo cola, soif d'au jourd'hui—anyone thirsty? Do you like Knackwurst and Sauerkraut? Did you like Simone's souffle? It's birthday! Necesito bano!

Do we have time to play "streetcar" today? How many pesos for extra credit? What "Schtrounpf" mean? What's his name, that new French pen-pal from Paris? Next week we'll have our full-length movie. How did I do on that proficiency test? How much is the Ranum wine? Tell me, what does this sentence mean in a foreign language in the library book? Animal sounds: Kikeriki, wau-wau. W.C., s'il vous plait!

Are there any candy canes left? Ha everyone turned in his permit to eat at the foreign restaurant? I'm ready for test #4. Now it's time for our language weather report! Let's concentratiron "CONTRENTATION"! Mas vale tarde que nunca—mieux tarde que jamais! Did you bring your yarn for your Ojos de Dios [Gods eyes]? Pobrecito; dommage! In dative case; der and das changes to dem. Just who is Piste six? Now at whose home will we have the quiche? Ende gut, alles gut.

These are some of the sounds heard in the Foreign Language Department as students are attempting to relate their learning of the language to daily living.

O O P S

The OOPS program is designed to help the expectant teenage mothers with the coming of the child. Labor, delivery, nutrition, and good family management are integral parts of this program. The mothers also learn homemaking, sewing, typing, and other basic skills. This program teaches them not only domestic chores, but also prepares them for the world of work, if necessary.

VOCATIONAL CABINETMAKING

Vocational Cabinet Making is a two-year course which enables the student to put in 720 working hours. First semester, the course is three hours long; second semester, two hours. Students are not allowed to make projects for themselves, but for teachers and outside customers.

The class is divided into crews of two or three people. Each crew works on a project until it has been completed. The groups are allowed to work on all the woodworking machines with the projects they do. Vocational Cabinet Making prepares the student for post-graduation carpentry.

NEWS AROUND THE WORLD

Uta Sporhan is a seventeen year old exchange student from Germany. Her hobbies and favorite sports include art, swimming, tennis, and skiing. She likes being able to choose her own classes. Uta is also amazed at the number of students who work after school.

"I really like the school and I think I've got a lot of experiences. I would be glad if anybody is interested to make also an exchange with anybody from my school and would travel with me to Germany."

"I like school, I make many friends, especially girls, many. I am going to be 5 months here, I am going to finish Junior here, in my country I have finished Junior, so when I will return, I will finish second semester."

This comment was made by Eduardo Duralde, exchange student from Chile. Sixteen year old Eduardo enjoys basketball and modern music.

GARY HART SPEAKS TO RANUM STUDENTS

"We have survived a decade like no other in our history... but we have survived. Today we have emerged into the light... there is no greater national resource than the courage of the American people."

DENVER CIVIC BALLET VISITS RANUM

DENVER CIVIC BALLET COMES TO RANUM

The Workshop and performance of the Denver Civic Ballet at Ranum on January 15 was unique in that it was their first appearance in a high school in the Denver area. Their first performance, introduced by Mr. Melhouse, western history instructor, was a ballet about Colorado called **HIGH COUNTRY BALLET**. After this performance each dancer talked with small groups of students, answering their questions. The second performance introduced by Mr. Pinello, art instructor, was a narration and skit explaining history and basic training of ballet. The troupe then presented a formal French ballet called, **PASS PLAY**. Those students attending felt they learned a great deal about an art form which some of them had never seen or knew little about. The ballet was sponsored by the library.

During the fall semester students in the poetry, creative writing, and A.P. English had the rare opportunity to work with a published, practicing, poet. Judy Moffet spent four days reading her poetry, and offering students the opportunity to share their own with her for her comments and observations. It was interesting and worth while to see first hand the process a poet goes through to create a poem, a process significantly more grueling and disciplined than oftened presumed to be. With Judy was Emi Ishi, a poet interning in the Poet-In-The-School Program. Emi brought an enthusiasm with her which was CONTAGIOUS as she read favorite poems to the class and performed Hawaiian chants. She too created situations to elicit the writing of poems by students.

It's Academic

"A rectangle has one side equal to the radius of a circle and the other equal to the circumference. What is the ratio of the area of the circle to the area of the rectangle?"

Ranum answer questions like these while fielding its first "It's Academic" team this year. Having got into the competition late, they competed against two second round schools but made a fine showing.

The team consisted of Kris Noblit, Gary Filosa, Ron Ogawa. Alternates were Gordy Kuenn and Greg Mueller. Sponsors were Mr. Abbott, Mr. Easley, Mr. Haller, and Mr. Peckman with help from many more.

AM AHL AND THE NIGHT VISITORS

"Amahl and the Night Visitors" was a Christmas opera presented by the Ranum music department. The music was performed by the Ranum orchestra, and the songs were sung by the Ranum choir. Lead singers were Lori Kaspar and Heidi VanArsdale. Ranum students performed on stage along with students from Metz Elementary School. Marnie Cooper was stage director, Barbara Eanes was vocal director, and Pat Cotrell was orchestra director.

Enrichment Park

The new Enrichment Park will open the doors to variety of careers for students. I'm pleased to know that Ranum is concerned for its students. Instead of just giving the student a diploma, they are encouraging students to go on to a satisfying career. The Enrichment Park will be a great break through in High school education.

I think the new school will cause problems of all sorts. Mainly the busing is simply a waste of time and gas.

RANUM BENEFITS FROM \$35,000 VEHICULAR SIMULATOR

The driver simulator method of instruction is a programmed, group instructional system which uses student interaction with filmed driving situations. The system consists of 14 simulator cars plus two motorcycle simulators, a teacher control station, and a film projector unit.

The student simulator units are equipped with operable controls found in actual cars or motorcycles. Each student's response to the simulator film is transmitted to the control center, evaluated with what is considered a correct response, and then recorded on individual calculators.

With this system, the driving simulator method of instruction assists the students in learning to identify potential traffic hazards, predict the action of other drivers, decide the best response for a given situation, and execute this decision properly at the correct time.

PIFFLE

To me using piffle doesn't seem strange
 In my eyes piffle has much wider range:
 After a fall, or the loss of a game,
 What better word can one find to exclaim.
 And piffle is such a good word to know,
 If you're tripped in the hallway or stuck in the snow.
 If you've just been hit and are feeling great pain,
 You can say piffle without being profane.
 So you see using piffle isn't really so strange,
 Because the word, PIFFLE, has much wider range.

MY EYES AND YOURS

How can I make you see?
 When you are blinded by
 Your own ignorant sight.
 You think you're in a state
 of extreme bliss
 While in reality, you are
 in your own world.
 Open your eyes, take a good look;
 It's the world around you.
 And you have not the Courage
 you were born with
 To change it.
 But please try...
 Someone has to take the
 responsibility. Otherwise,
 The whole world will disappear
 right before your eyes.... POOF!

Laurie Noble

PLEASE
I had to go,
so I walked in
A thick white
cloud prevailed.

As I wander
through and make
my way I'm suddenly
sick and pale.

With all the matches
and all the cigs,
I almost changed
my mind.

But I find a stall
and accept it all
Ohh, a smoking lounge
would cure it all.

Karen Wall

Life at RHS

It was a year of memories both good and bad. Those fantastic times of running in gym just wondering if you'd make it back. Then you'd be going down the stairs in a hurry and slip, taking everybody in your way down with you. We also have memories of those great bathrooms; you'd open the door to walk into smoke and come out smelling like a thousand cigarettes rolled up together. Everybody meets in the cafeteria to talk and watch everything that goes by. Then there's that fantastic time of sitting in a classroom and all of a sudden you hear an explosion and find out the toilets have been blown up. Last of all there's the time of sitting in a classroom trying to listen to the teacher and just falling asleep. After school's over and you're walking through the quiet and empty halls it seems hard to believe the halls were so crowded and noisy earlier in the day.

Karel Albanese

The problem I have in school,
Is not my grade or what to do,
It's a pain that could be over soon
When they finally build a smoking room.

When I walk in, I plug my nose,
But when I come out, I've got the smell on my clothes.
And when the teacher asks, "What took so long"?
I have to tell her I was lost in the john.

For the smoke in here is so heavy and dense
That the oxygen is low and the carbon's immense
I have no complaints about those who smoke
But in the bathrooms, they cause me to choke.

Please help everyone by doing this deed
And give us a room that all of us need.
Build a section where the smokers can go,
And leave us the rooms where we can go.

Dedicated to our Generation

The leaders sit and talk wisely,
The children stand and listen closely.
For the leaders are the wise men;
The children are of what is yet to come.
For a child's knowledge is precious,
If he is to be our future leader.
And he must be recognized,
For he is now our leader.

Sharon Rade

Dear Friends of years gone by:
Remember and love me forever,
Though our interests now differ
and we share them with other people.
I shall always cherish the time
When we were friends:
When we loved, learned, laughed,
and played together.
For it's part of my life,
my being.
And remembering
is the only way to regain my youth.
Don't be so quick to cast away a
brief acquaintance, or the memory of a
kindness done to you.
One chance at this moment is all you get.
So record your life in your mind well.
God knows I love you...
And I hope you'll
remember and love me forever.
Anita Funderburk

Leaving Friends:

Looking back, I remember all the memories that we made for each other over these past three years.

It almost seems impossible that all this time has past before us, and as I sit here, I am confused about many things, and I think you are too.

What does the future hold for us? What will become of us all? Will the things that seem so important to us today be as important tomorrow? ... But the thing I find the most difficult to understand is, even though the future is standing before us, waiting for us to become a part of it, I feel an empty feeling inside. It's like time is taking an important part of me away, as Graduation nears.

Julie McDonald

Think of what you've said today
Think of what you really meant to say
Could you have said it another way
Stop.
Think of anything that lost you a friend
Think of losing that friend again
Could you have said it another way
Stop.

Brian Bowen

Friendship can be a beautiful thing. Through your years in high school you can always find FRIENDSHIP and love in someone.

Everyone needs some kind of FRIENDSHIP. It makes them feel wanted like a lost puppy who is found on a cold day and taken in by someone who cares.

Everyone needs FRIENDSHIP, someone you can share your sorrows with. You always need that one helping hand; in FRIENDSHIP, you can guarantee to find it.

FRIENDSHIP — nobody can live without it. It's something everyone needs.

MIN G 74-75

The total record of this years swim team was 10—3. In addition, the swimmers won the 12 team Aurora Invitational and also won the 12 team Denver Public School Relays. Coaches Simington and Mitchell's team finished the year by taking a strong 2nd in the league meet. State qualifiers included Neil Martinez, Dave Sander, Frank Vigil, Kevin Ota, Mark Rients, Mike Hack, and Tom Duffy.

Coach Simington said, "The Ranum swim team of '74—'75 is the best team I have ever coached. They worked hard and came through with exceptional performances when they had to. The team showed a lot of poise and dedication. It was a very good year. I feel the addition of assistant coach Bob Mitchell helped account for such a fine year."

The Ranum Raiders baseball team defeated all top contenders on their road to the State Championship last spring. A perfect 3—0, no-hit, no-run game pitched by senior Rick Petri against the highly favored Arvada West Wildcats proved to be the highlight of the season. Greg Hinderlider, receiving a head injury in practice prior to the playoffs, proved to be the inspirational factor for the conquering Raiders. At the State Playoffs in Greeley, the Raiders finished off their 17—3 season with victories in the semi-finals over Aurora Central, 3—1, and in the finals over Grand Junction, 7—1.

The powerful Ranum team was picked as number 2 in the top 13 teams in the 4-Corner States Baseball poll which includes Colorado, Arizona, Utah, and New Mexico. Coach Jenkins was also named Coach of the Year for baseball in Colorado. The 1975 Ranum Baseballers should prove worthy of the title, "Defending State Champs."

The Yearbook Staff would like to express our appreciation to Dean's Studio and Mr. Bob Coomes for their time and efforts towards this years' yearbook. We would also like to thank Mr. Bill Worthen for use of his baseball photos and Miss Annette Bates for her cover design and outstanding aid with artwork. Last but by far not least, special thanks to Mr. Ron Brady for his numerous hours of work in the darkroom and with instructing photography, which made so many candid possible.

We pause for a second to reflect on the scene of the past year.

There are memories of friends, places and things. Happy faces, work and play.

The record is written and we will forever hold fond memories of this wonderful year.

To Alvera
well our last year in school
and then we went out for good. I
I hope we stay in touch with each
other after school for the rest of
our life's. Remember all the time in
children's class your report was really
good. well see you later. Love
your friend
Patty Pfaiffer

Alavera,
I'm glad I have you
in this hour + we got
to be friends. It must
be nice to be getting out
SO soon good luck
in everything you do
Have fun in the future
"75" Shui Priest "76"

Alvera,
I am glad to have
you as a friend.
I hope you always
stay happy in the
future. I'm going to
miss you next year.
Love,

A la vera,
I think it has really been fun
in Smyder and I am glad you
made it out of Radium. Now
I have to get out good luck in
the future
Mary

Alaura
To one good looking
class mate in the
year of 1975
Wayne Gaudin
PS I hope as soon
as you get out of
school your life
is just as beautiful
as you are.

Flavero,
Just think our last
year of school. I am
really glad we became friends.
Remember all the fun we had the
last 3 years. Just think it took
us 12 years to get here. All the
luck in what ever you decide
to do in the future. Come and
visit me in Calif.
